

The Chamber's Foundation: Success School

The Greater Bloomington Chamber of Commerce Foundation is a registered 501(c)3 non-profit dedicated to creating partnerships between business and the community in support of education.

The Chamber's Foundation supports all programs offered by the Success School. The Success School's mission is to provide real-world learning opportunities for area students to increase academic engagement and excite young people about future careers to help shape tomorrow's workforce for employers in Monroe County.

The Foundation supports the following activities through the Success School:

- Reality Stores®
- Soft Skill Workshops
- Job Shadowing
- Career Intro Panels
- Mock Interviews
- Career Days

Please consider a separate tax-deductible business donation to support The Greater Bloomington Chamber of Commerce Foundation.

Suggested Donation Options:

- Freshman Level: \$500
- Sophomore Level: \$1,000
- Junior Level: \$1,500
- Senior Level: \$2,000

Additional Success School Sponsorship Opportunities

S.T.E.M. & Life Sciences Career Fair

The S.T.E.M. & Life Sciences Career Fair introduces high school students to education and career opportunities in the life sciences. Students meet with representatives from local life science employers as well as pharmacists, optometrists, forensic detectives, and IU researchers. Science teachers at all area high schools, public and private, will be invited to bring their students to the event.
