

# 2016 S.T.E.M. Career Fair Exhibitor Information

**WHAT:** The Franklin Initiative's annual S.T.E.M. Career Fair

**WHEN:** Wednesday, November 9th from 9:45 AM to 12:45 PM  
(Exhibitor setup begins at 8:45 AM)

**WHERE:** Indiana Center for the Life Sciences at Ivy Tech Community College, Bloomington  
501 North Profile Parkway, Bloomington, Indiana 47404

**COST:** FREE for all exhibitors and student attendees

The S.T.E.M. Career Fair allows over 200 high school students from Monroe County to meet representatives from area businesses and life science professionals in order learn about careers in the sciences.

Past exhibitors include Cook Medical, Cook Pharmica, Baxter Pharmaceuticals, Boston Scientific, Trilogly Health Services, and Bloomington Hospital, as well as pharmacists, optometrists, forensic, IU researchers, and more. Due to the success of last year's fair, we are expanding the event to include more exhibitors from a wider variety of career fields.

Exhibitors are needed from 9:45 AM until 12:45 PM. Exhibitor setup for the event begins at 8:45 AM. Space is limited to the first 25 organizations, so be sure to register soon!

We ask that exhibitors have at least 1-2 representatives present for the entire event. Exhibitors are encouraged to display anything that conveys the jobs and careers associated with their company. These could include, but are not limited to, colorful and interactive displays, product samples, models, tools, videos, photographs, and laptops with an interactive website or program.

Registration is FREE and entitles your company to:

- An exhibit space with an 8 foot table and chairs
- Free WiFi access at the fair
- Free breakfast, refreshments, and snacks for exhibitors
- Listing in event promotional materials and online announcements

**Interested in participating?** Please fill out the registration form on the next page and email it to [jsummer@chamberbloomington.org](mailto:jsummer@chamberbloomington.org)
