DISCOVER DSI COMMUNITY TOUR

RSVP Here

You're invited to our Discover DSI Community Tour at our Bloomington Site! This is a special chance to explore the heart of our Bloomington location, where our clients engage in enriching day programs. Take a guided tour of our space, see firsthand where our clients participate in activities, and learn about the employment services that support their growth and independence. You'll also have the opportunity to review our day program calendars and discover the exciting opportunities we offer. During and after the tour, you'll have the opportunity to engage in conversations with DSI staff, explore potential collaboration opportunities, and ask any questions you may have about how we can work together to create more opportunities for the individuals we serve. Don't miss out on this chance to connect and make an impact!
