Block of Services Contract CHAMBER MEMBER OFFER 2026

A quick overview of the service package concept in general is that a client pre-pays for a certain amount of credit for services and they get a bonus credit and then that full total credit is used for whatever services they decide to use and the current years prices are valid for two years and the credits do not expire. Refunds of unused credit are available for one year after agreement and invoicing, after one year the remaining credit is still valid but no refund will be offered.

The main packages are as follows:

\$2500 gets a 15% BONUS = \$2750 credit for \$2500 prepaid amount or \$250 Bonus.

\$5000 gets a 20% BONUS = \$5750 credit for \$5000 prepaid amount or \$750 Bonus.

\$7500 gets a 25% BONUS = \$9000 credit for \$7500 prepaid amount or \$1500 Bonus.

\$10000 gets a 30% BONUS = \$12500 credit for \$10000 prepaid amount or \$2500 Bonus.

Additional amounts can be purchased at the rate below the next level of bonus: For example \$3500 would still get a 15% bonus or \$525 additional credit.

Then that credit is billed against with the actual services you actually use and you will be informed of the costs and the balance as often as you would like.

A few examples:

Podcast/ voice over recording on site (up to 4 microphones) \$100 per hour, Audio editing \$100 per hour
Quick photo shoot with DSLR camera and natural lighting would be \$150 per hour billed against the credit you have.
Video shoot with Single 6K Black Magic camera audio and lighting would be \$225 per hour billed against the credit you have.
Full green screen HD two camera video shoot with professional audio, lighting and teleprompter, slider dolly, gyroscope jib etc. would be \$375 per hour billed against the credit you have.

Having the block for two years locks you into the current year's prices. If my prices go up next year you will still have this year's pricing.

If no credit from the service block has been used by client within 3 months, a full refund is available, If no credit from the service block has been used by client within 1 year a 50% refund is available, If no credit from the service block has been used by client within 1 year there will be no cash refunds.
