

Are you interested in joining our YPB steering committee?

Our committee is made up of a diverse group of young professionals who help organize our monthly events, act as ambassadors for YPB and give their input for the long-term vision of YPB. Our volunteers are a great example of the work young professionals put into our community!

We typically recruit volunteers in the summer and new members join the committee starting in August. We begin the year with an annual retreat to review the year, plan for the next year and see what we can do better. Check out the committee responsibilities:

YPB Steering Committee Member Responsibilities
