

Retail Summit

January 2019

The Chamber is proud to bring a Retail Summit to the 2018 schedule. The all-day event will offer a keynote address along with breakout meetings for attendees. The Retail Summit will focus on what's next for the industry and provide education and tools for retailers and the industries that service retail. Brick and mortar businesses are important to our overall community and the Chamber will offer this summit to help guide them on how to approach their business strategies to survive in a new era. of them during a Q&A portion of the program. Attendance ranges from 125 – 250+ at Federal Focus events.
